

IBM CLOUD SERVICES

Date	13 November 2022
Team ID	PNT2022TMID39018
Project Name	Gas leakage monitoring and alerting system for industries

The screenshot displays the IBM Cloud dashboard interface. At the top, a browser window shows multiple tabs including 'Welcome to P...', 'IBM', 'IBM-Project-14', 'IBM-Project-92', 'WhatsApp', 'Download file', 'PYTHON CODE', 'IBM Cloud Free', and 'IBM Cloud'. The address bar shows 'cloud.ibm.com'. Below the browser window, the IBM Cloud dashboard is visible. The top navigation bar includes the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and 'Eswaramoorthy P's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with several service tiles. These tiles include 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services.), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel.), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes.), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud.), 'Learn about IAM Roles' (Learn about roles in IBM Cloud and how they work to control access.), and 'Build a virtual machine' (Lift and shift your VMware workloads to the IBM Cloud.). Each tile has a 'Getting started' button and a duration (e.g., 15 min, 2 hr, 7 min). To the right of the 'Build a virtual machine' tile, there is a partially visible tile for 'Sm. Unc' (Check documentation to view you). Below the 'For you' section, there are four more tiles: 'News' (View all), 'Recent support cases' (View all), 'Planned maintenance' (View all), and 'IBM Cloud status' (View all). The 'News' tile lists several updates, including 'IBM Cloud Data Shield Deprecation', 'IBM Watson Orchestrator Is Integrating with ThisWay Global', 'SLSA Support in IBM Cloud Continuous Delivery', and 'WebSphere Application Server Support Restatement'. The 'IBM Cloud status' tile shows a world map with a blue chat bubble icon in the bottom right corner. The bottom of the screenshot shows a Windows taskbar with various application icons and a system tray displaying '29°C Partly sunny' and 'ENG 13:56'.
